UFUA Smart Phone Application

APPLE AND ANDROID SMARTPHONE

In an effort to update and provide better services to our members the UFU has designed a smart phone application specifically for Firefighters and family members. The application can be downloaded and used by Firefighters to help manage everyday activities such as shift swaps, meeting notifications and a colour coded calendar showing the 10/14 roster and more.

Please see attached details on the UFU Bulletin No: 11

Operational Support Unit

I wish to inform Members that the Operational Support Unit decision is still pending. I hope to have the decision from the Queensland Industrial Relations Commission in the coming week.

UFUA Smartphone Application

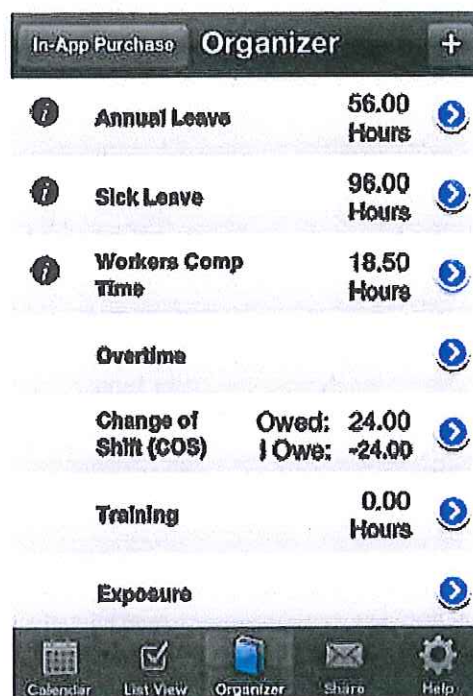

Introducing the UFUA Pro-Calendar Smartphone Application!

The UFUA and Pro-Calendar have partnered to develop and release the most advanced App for fire fighters for scheduling and tracking critical job-related information. This shift calendar and organizer helps you manage your shift schedule, track sick leave, change of shifts, workers comp and annual leave, schedule trainings and take charge of all of your personal appointments, plus much more.

The UFUA Pro-Calendar App is also the only shift calendar App to include an exposure Incident log for quickly recording vital information related to occupational exposures -- a critical component when dealing with presumptive disease documentation. Download a FREE 30 day trial version today!
