Foreword by Commissioner

It is with pleasure that I introduce this booklet outlining the benefits available to the Queensland Fire and Rescue Service (QFRS) community from the Olga Wilson Firefighters Trust. As an organisation, we are grateful for the generosity of Ms Olga Wilson who, in 1997, bequeathed funds in her Will to benefit firefighters and their families.

The benefits available through this Trust advocate our mission driven focus to support our people and our communities.

Since 1997, many full time, auxiliary and volunteer firefighters and their families have benefited from the Olga Wilson Firefighters Trust to help them through difficult times. Additionally, funds have been made available for research and development in areas where outcomes may improve the safety and wellbeing of firefighters. Support has also been provided to auxiliary stations and rural fire brigades.

The Trustees have agreed to publish this information to explain the purpose of the Trust and to outline the following:

- ▶ Financial assistance for firefighters and their families
- ▶ Research and Development Grant
- ▶ Professional Development Scholarship
- ▶ The Olga Wilson Award for Peer Support Officers (PSOs)
- ▶ Submissions which support groups of firefighters

This booklet includes the criteria relating to each of these benefits and how to apply for a specific benefit.

In line with the State-wide Integrated Operational Planning Process (SIOPP), this booklet is available on the QFRS Bookshelf to assist with maintaining a consistent approach for accessing current information and templates relating to the Olga Wilson Firefighters Trust. It is also available on the Rural Fire Service Volunteer Portal.

In addition, there may also be specific applications for support which do not meet these criteria and the Trustees will consider such applications on a case-by-case basis.

I take this opportunity to thank the Trustees from McCullough Robertson Lawyers for their continued support in the management of the Trust.

HISTORY OF THE OLGA WILSON FIREFIGHTERS TRUST

Ms Olga Hope Wilson died on 13 August 1997, leaving a Will dated 7 August 1997, appointing the Partners of McCullough Robertson Lawyers, who have been managing the Trust since this time, as the Trustees of the Olga Wilson Firefighters Trust.

The Will states that the Trust is to be used for:

'...The support, maintenance, education, advancement, medical, surgical, convalescent assistance and accommodation, and/or general benefit of all past and present members (and their families) of the Queensland Fire Service and all Queensland Fire Brigades (including volunteers of the brigade)...'

The Trustees have advised that it was Ms Wilson's intention that the Will was not to be prescriptive but that her wishes were to have a wide interpretation. With this in mind, the Trustees have been able to provide funds to assist a range of individuals in need as well as extend financial support to groups and organisations with the aim of improving firefighters' wellbeing.

The Olga Wilson Firefighters Trust will continue until the twenty-fifth anniversary of her death or such earlier date at the discretion of the Trustees.

ROLES IN THE MANAGEMENT OF THE OLGA WILSON FIREFIGHTERS TRUST

As previously mentioned The Olga Wilson Firefighters Trust is managed by Trustees from McCullough Robertson Lawyers.

The Trustees have the final decision on each individual application/submission after receiving a recommendation through the Office of the Commissioner. The Secretariat role to the Trust is performed by the Commissioner's Staff Officer. All applications for support will be endorsed by the Commissioner, QFRS.

Where required, advice and recommendations to the Trustees is provided by a representative group of experienced and knowledgeable people - The Olga Wilson Firefighters Trust Committee.

This group includes a representative from the following:

- United Firefighters Union of Australia – Queensland Branch;
- Queensland Fire and Rescue - Senior Officers Union of Employees;
- Queensland Auxiliary Firefighters Association;
- Rural Fire Brigades Association of Queensland; and

For matters relating to welfare the Committee may refer to:

- QFRS FireCare; or
- QFRS Chaplain.

THE OLGA WILSON AWARD FOR PEER SUPPORT OFFICERS

Introduction

The stressful nature of a firefighter's role can take a heavy emotional toll on the wellbeing of personnel. In recognition of the need to support firefighters, the QFRS has established a range of staff support services, one of which is FireCare.

FireCare provides a Peer Support Program, in which volunteer Peer Support Officers (PSOs) offer one-on-one support for their work colleagues, conduct defusing, participate in debriefings after critical incidents and refer staff to the counsellor network, if required. The PSOs play a crucial role within the FireCare program and many QFRS personnel contact the PSOs for assistance in dealing with work related or personal issues.

The Olga Wilson Award for PSOs is an annual Award established to recognise a PSO who has provided outstanding service and support to QFRS firefighters and their families in times of difficulty. This Award will be presented at an appropriate ceremony each year.

Criteria

- Self nomination for this Award is not acceptable – nominations must be received through a nominating officer.
- The PSO must have demonstrated a high degree of resource and devotion to duty in a particular situation to ensure the wellbeing of firefighters, or in the exemplary discharge of special duties above and beyond the normal role of a PSO.

Nomination Process

- Read the criteria to ensure that the nomination is suitable.
- Complete the Award for Peer Support Officers Nomination Form and provide a nomination statement which outlines the details of the nominee's contribution.
- Provide evidence of the PSOs demonstration of a high degree of resource and devotion to duty in a particular situation.
- Explain succinctly how firefighters and their families have benefited from the role of the PSO.
- Explain how the PSO has provided support for staff that is both reactive to staff distress and/or proactive in promoting psychological health and early detection of problems.
- Include details of support personnel who can provide additional advice on the nomination, if required.
- All nominations are to be submitted to the Olga Wilson Firefighters Trust Committee c/- Commissioner's Staff Officer – Queensland Fire and Rescue Service, Cluster 6.1 - Level 2, Block B, Emergency Services Complex, Kedron (Internal Mail) or GPO Box 1425, Brisbane Qld 4001 (External Mail) by **31 March each year**.

Selection Process

- The Olga Wilson Firefighters Trust Committee and FireCare Manager will review all nominations and provide recommendations to the Commissioner, QFRS, for endorsement before forwarding to Trustees.
- Interviews with the supporting staff listed on the nomination form may be required to provide further information.
- The Trustees will have the final decision.

SUBMISSIONS THAT SUPPORT GROUPS OF FIREFIGHTERS

The Trustees have determined that they are keen to support submissions from QFRS and external organisations which can show merit in supporting groups of firefighters. Each application submission will be assessed by the Trustees to determine that the intent of the Olga Wilson Firefighters Trust is met.

The Trustees will consider the provision of financial assistance and support to organisations who can demonstrate a need for research, equipment or training which can benefit firefighters and their families.

Submissions can be made directly to the Trustees although it is noted that the Trustees may seek clarification through the Office of the Commissioner on the merit of the submission.
