Exemption from State Elections

The Union is in the process of organising the recall of elections for the Branch Committee of Management position of Firefighter Delegate South West Region and Firefighter Delegate North Coast Region. To save the Union holding two elections for the same positions, the United Firefighters Union of Australia, Union of Employees, Queensland (UFU) will be making an application for exemption from an election.

The UFU is making this application as the same persons who fill positions in the Federal Counterpart Body (United Firefighters Union of Australia, Queensland Branch) will fill those positions in the State organisation. The members of the UFU will not be detrimentally affected as members will have already voted, or been given the opportunity to vote, in the election of the Federal Counterpart Body.

This application for an exemption will apply to these positions until the expiry of the term

This exemption was also passed in the 2009 elections and the recent 2012 triennial elections.
