UFUQ auxiliary delegate nominations

It is important that every auxiliary station has a UFUQ workplace delegate.

UFUQ workplace delegates are the union contact in the auxiliary station and are supported by the union with up to date information for members. Delegates can provide feedback and information to UFUQ about matters affecting auxiliary members.

The union's rules allow for the appointment and protection of workplace delegates.

As we implement fair employment conditions and award coverage for auxiliary firefighters we need to extend UFUQ representation in the workplace for auxiliary firefighters.

The attached nomination form and endorsement sheets are simple to use.

You can have more than one delegate in the workplace, and you might want to nominate a delegate and a deputy.

Please arrange for financial UFUQ members to nominate for one or more delegate positions at your station. Once you have identified a delegate, arrange to have UFUQ members endorse that person.

Once you have completed the process, please fax or scan and email both forms back to the union office.

If you have any queries, or require assistance with this process please contact the office on the toll free number 1800 816 589.

Yours faithfully

John Oliver
State Secretary
