Dear Mr Roche

Award Modernisation

I refer to our correspondence of April 14 regarding Award Modernisation wherein we provided you with draft modern awards and associated explanatory tables for discussion.

We subsequently raised this matter at the Issues Forum on April 15 2014.

QFES indicated to us that you would be in a position to discuss these matters with the QFUQ in early May 2014.

We wrote to you on May 7, May 23, June 6 and June 20 requesting a meeting to discuss the matters, to date the union has not received a reply to any of the correspondence.

The union requests that you arrange for a suitable time to meet to progress the discussions.

Please contact Ms Paula Newman at this office to arrange a meeting. The union can make a venue available at the our offices in Montague if you prefer.

Sincerely

John Oliver
State Secretary
