Dear Deputy President Bloomfield

Re: Award modernisation pursuant to s 140 C (1) of the Act.

I refer again to your letter of 10th September 2014 and our response dated 11th September 2014.

I note your request for any documentation or information that we may have compiled in the knowledge that award modernisation was to occur in 2014/15.

We have enclosed relevant correspondence between the union and the employer.

I advise that QFES informed the union that "*QFES will be in a position to discuss award modernisation with the UFU later this year*".

The union reserves all of our rights in relation to these matters.
