- (b) The consultation shall take place as soon as it is practicable after the employer has made a decision which will invoke the provisions of clause 10.2(a) and shall cover the reasons for the proposed terminations and measures to avoid or minimise the terminations and/or their adverse effects on the employee/s concerned.
- (c) For the purpose of the consultation the employer shall, as soon as practicable, provide in writing to the employee/s concerned and, where relevant, their union/s, all relevant information about the proposed terminations including the reasons for the proposed terminations, the number and categories of employees likely to be affected, the number of workers normally employed and the period over which the terminations are likely to be carried out.

10.3 Transfer to lower paid duties

- (a) Where an employee is transferred to lower paid duties by reason of redundancy the employee shall be entitled to the same period of notice of transfer as the employee would have been entitled to if the employee's employment had been terminated under the redundancy pay provisions of the QES.

- (b) The employer may, at the employer's option, make payment in lieu thereof of an amount equal to the difference between the former amounts the employer would have been liable to pay and the new lower amount the employer is liable to pay the employee for the number of weeks of notice still owing.

 - (i) the ordinary working hours to be worked by the employee; and

 - (iii) any other amounts payable under the employee's employment contract.

10.4 Employee leaving during notice period

An employee given notice of termination in circumstances of redundancy may terminate their employment during the period of notice. The employee is entitled to receive the benefits and payments they would have received under this clause had they remained in employment until the expiry of the notice, but is not entitled to payment instead of notice.

10.5 Job search entitlement

- (a) An employee given notice of termination in circumstances of redundancy must be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.
- (b) If the employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment the employee must, at the request of the employer, produce proof of attendance at an interview or the employee will not receive payment for the time absent. For this purpose a statutory declaration will be sufficient.
- (c) Clause 10.5 applies instead of clause 9.4 in cases of redundancy.

10.6 Transmission of business

- (a) Where a business is, whether before or after the date of commencement of this Award, transmitted from the employer (transmitter) to another employer (transmittee) and an employee who at the time of such transmission was an employee of the transmitter of the business becomes an employee of the transmittee:
 - (i) the continuity of the employment of the employee shall be deemed not to have been broken by reason of such transmission; and
 - (ii) the period of employment which the employee has had with the transmitter or any prior transmitter shall be deemed to be service of the employee with the transmittee.
- (b) In clauses 10.6 and 10.7, 'business' includes trade, process, business or occupation and includes a part or subsidiary (which means a corporation that would be taken to be a subsidiary under the Corporations Law, whether or not the Corporations Law applies in the particular case) of any such business and 'transmission' includes transfer, conveyance, assignment or succession whether by agreement or by operation of law and 'transmitted' has a corresponding meaning.

10.7 Exemption where transmission of business

The provisions of clause 10.6 are not applicable where a business is, before or after the date of commencement of this Award, transmitted from the employer (transmittor) to another employer (transmittee) in any of the following circumstances:

- (a) where the employee accepts employment with the transmittee which recognises the period of continuous service which the employee had with the transmittor and any prior transmittor to be continuous service of the employee with the transmittee; or
- (b) where the employee rejects an offer of employment with the transmittee:
 - (i) in which the terms and conditions are substantially similar and no less favourable, considered on an overall basis, than the terms and conditions applicable to the employee at the time of ceasing employment with the transmittor; and
 - (ii) which recognises the period of continuous service which the employee had with the transmittor and any prior transmittor to be continuous service of the employee with the transmittee.

10.8 Alternative employment

The employer, in a particular case, may make application to the Commission to have the general severance pay prescription amended if the employer obtains acceptable alternative employment for an employee.

10.9 Employees exempted

Clauses 10.1 to 10.8 shall not apply:

- (a) where employment is terminated as a consequence of misconduct on the part of the employee; or
- (b) to an employee engaged for a specific period or task/s; or
- (c) to a casual employee; or
- (d) to an employee with less than one year's continuous service, in which case the general obligation on the employer should be no more than to give the relevant employee an indication of the impending redundancy at the first reasonable opportunity and to take such steps as may be reasonable to facilitate the obtaining by the employee of suitable alternative employment.

11. Consultation - Introduction of changes

11.1 Employer's duty to notify

- (a) Where the employer decides to introduce changes in production, program, organisation, structure or technology that are likely to have significant effects on employees, the employer shall notify the employees who may be affected by the proposed changes and, where relevant, their union/s.

- (c) Where the Award makes provision for alteration of any of the matters referred to in clauses 11.1(a) and (b) an alteration shall be deemed not to have significant effect.

11.2 Employer's duty to consult over change

- (a) The employer shall consult the employees affected and, where relevant, their union/s about the introduction of changes referred to in clause 11.1, the effects the changes are likely to have on employees (including the number and categories of employees likely to be dismissed, and the time when, or the period over which, the employer intends to carry out the dismissals) and ways to avoid or minimise the effects of the changes (e.g. by finding alternate employment).
- (b) The consultation must occur as soon as practicable after making the decision referred to in clause 11.1.
- (c) For the purpose of such consultation the employer shall provide in writing to the employees concerned and, where relevant, their union/s, all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees, and any other matters likely to affect employees.
- (d) Notwithstanding the provision of clause 11.2(c) the employer shall not be required to disclose confidential information, the disclosure of which would be adverse to the employer's interests.
