Dear Mr. Roche

**Awards Modernisation**

I refer to our correspondence of April 14 2014 about award modernisation wherein we provided you with draft modern awards and associated explanatory tables for discussion.

We have subsequently raised this matter at the issues forum on April 15 2014.

QFES have indicated to us that you would be in a position to discuss these matters with UFUQ in early May 2014.

We wrote to you on May 7 and 23 asking for a meeting to discuss the matters, to date the union has not received a reply to that correspondence.

We request that you arrange for a suitable time to meet with the union to progress the discussions.

Please contact Ms Paula Newman at this office to arrange a meeting. We can make a venue available at the union's Montague Road offices if you prefer.

Sincerely

**John Oliver**  
**State Secretary**
